

Supporting the University of Wisconsin's Gynecologic Oncology Division

**SEPTEMBER 16, 2022**

## SPONSORSHIP OPPORTUNITIES

For the past thirteen years, Sparkle of Hope has been the premier event in Madison dedicated to gynecologic oncology research and care at the University of Wisconsin Carbone Cancer Center. Thousands of attendees have given over a million and half dollars to support lifesaving innovations and treatment for women.

We are thrilled to finally be returning to Monona Terrace to bring together patients, their families, friends, doctors, scientists, nurses, and those passionate about curing cancer. Next year, we will begin partnering with UW Health to bring you different, new opportunities to celebrate women's health, so this will be a particularly special, and especially important Sparkle of Hope.

Please take this final opportunity to join the ranks of women's health champions by sponsoring this remarkable event. All sponsorship levels include seats for the gala and dedicate extra resources to research and care.

For more information, please contact Lily at [lily.johnson@supportuw.org](mailto:lily.johnson@supportuw.org) or 608-354-4918

	<b>Diamond Sponsor</b> <b>\$10,000</b> (\$8,900 is tax deductible)	<b>Ruby Sponsor</b> <b>\$5,000</b> (\$3,900 is tax deductible)	<b>Emerald Sponsor</b> <b>\$2,500</b> (\$1,950 is tax deductible)	<b>Opal Sponsor</b> <b>\$750</b> (\$530 is tax deductible)
